

Circular Waste Innovation

CIRCULAR

PRETRED
BUILD A BETTER WAY

Circularity: Greater economic development with higher outcomes

States/Countries: Attract more clean-tech waste companies

Governance: Public/private partnership effectiveness

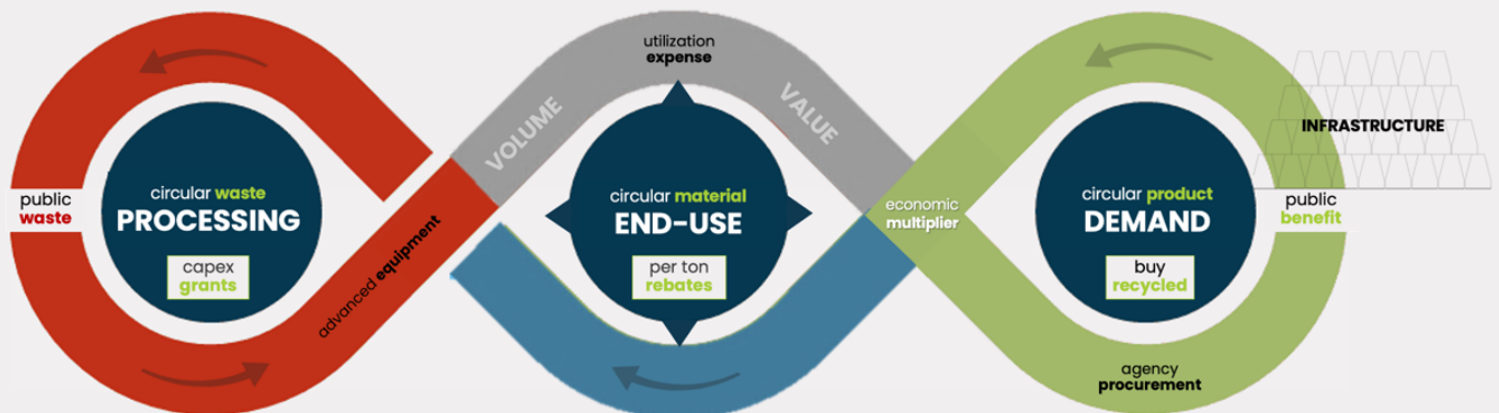

Tire Fees: Protect waste fees for program use

Pioneer: A new era of waste effectiveness

Policy: Incentivize circular outcomes

- Capex grants
- Per ton rebates
- Buy recycled

*Citizens know recycled cans
get reused again and again.
Our aim is the same for
recycled tires at Pretred.*

Attendees at the **2026 Scrap Tire Conference** in Denver, CO (May 12-14) will be able to tour Pretred's new, state-of-the art facility
